Hello Parents!

Below you will find the lesson plan for the week of May 18-22. This week, students will have time to catch up on missing assignments.

ALL missing assignments will be due by Friday, May 22 at 1:00pm. Any assignments not completed at that time will receive a zero. These assignments will be averaged for the 4th Nine Weeks Grades.

Grades: You are able to check for any incomplete assignments or those that have not been started yet. In order to do so, log into Clever.

- Click on **Study Island**, then My Classes. You will need to check **each subject's** assignments. There you will see all assignments: not started, in progress, and completed. You will also see the grades. If a grade is below 70, please have your student re-submit the assignment.
- Click on **Studies Weekly**. Look at the **four** assignments that have been posted there. Please make sure the assignment is complete with a grade higher than 70. These are lengthy assignments. It is not recommended to do more than one in one day or sitting.
- Click on **Flocabulay**. Once there, click on Assignments on the top of the page. If there is a yellow dot, that assignment needs to be completed. If there is a check next to the assignment, that part has been completed. Please remember, all parts of an assignment **MUST** be finished.
- Click on **Renaissance Place (AR)**. Find the student's Bookshelf to see if they completed the AR quizzes (NOT vocabulary) for the following books: The Quicksand Book, The Cloud Book, Laura Ingalls Wilder, Who Eats What? Desert Food Chains, Once Soup, Scaredy Squirrel at Night, and Boo Boos that Changed the World.

Reading - Language Arts - Composition

Weekly Activities:

Reading, Language Arts, Composition-

- Catch up on missing assignments for reading, language arts, and composition.**
- Read **any** books on the Epic website. Be sure to read each day for 30 minutes on a book of your choice.

Assessments Due:

- Catch up on missing assignments for reading, language arts, and composition. **Please see page one for more information.**
- Please make sure all **seven** assigned books from Epic have been AR tested.
- Also, please make sure you have submitted **TWO** writing assignments (one was a free write, the other was writing a letter) **to your teacher** (by sending a picture of your writing).

Our FINAL Mystery Readers!!

Mathematics

Weekly Activities:

- Catch up on missing math assignments.**
- Practice **multiplication facts** for **25 minutes daily**. You may use flashcards or watch videos on Flocabulary.

Assessment(s):
