Dear Kindergarten Parents and Guardians:

Welcome to Kindergarten. There is an exciting year awaiting, designed to promote and enhance your child's growth and development. Although the structure of school for the fall is unknown due to Covid-19, we want to reassure you that our staff is prepared and ready to support your child and their learning.

The staff has developed a short video to introduce themselves to you and your child as well as some information about our school. We hope this introduction will ease the transition into Kindergarten for you and your child. This video can be found on our building's Facebook page @sdjkennedy and was also emailed to you via Infinite Campus.

As more information about Covid-19 is developed, the district will share via Infinite Campus, district website and social media such as Facebook. We encourage you to check Infinite Campus to make sure your email and phone information is correct so you receive the information and like both the district (@SDJK12) and Kennedy's Facebook page to keep up to date. Please feel free to reach out to me with questions on my Google Voice 608-352-0037 via text or phone or my school phone 608-743-7505.

We look forward to working with you.

Sincerely,
