When overtime is refused with less than a 24 hour notice, such refusal shall not count as time worked. Overtime shall be assigned as soon as need is known.

Except in emergency, as determined by the Facilities Director, overtime work shall be voluntary. There shall be no discrimination against any EMPLOYEE who declines to work overtime.

When buildings are in use on weekends, there shall be custodial coverage for these buildings. Overtime worked on Saturday and Sundays shall be at time and one half. EMPLOYEES agree to accept a two-hour minimum to come in to supervise weekend activities if given 48 hours notice, plus time will be allowed for clean-up and/or set-up.

The EMPLOYER reserves the right to give the key to pre-determined groups (i.e., Barre Youth League, Men's League) or individuals without custodial support.

3. commencement of that work shift. It is also an obligation that in the event that said EMPLOYEE is unable to attend any subsequent work shift, that notice shall be likewise given, if the disability shall continue longer than one (1) work shift.

4. EMPLOYEES not expecting to work because of an emergency or other justifiable cause must notify their respective Supervisor or the Maintenance Supervisor or Facilities Director not less than fifteen (15) minutes before the scheduled time for reporting at work.

FULL YEAR IS 261 DAYS and SCHOOL YEAR is 191 days. In either category, a full-time employee is one who has been hired to work a minimum of 30 hours per week. However, in all cases any employee who worked a minimum of 1750 hours in the previous year, or is scheduled to work a minimum of 1750 hours in the coming (or current) year shall receive ALL benefits provided for in this agreement. This benefit threshold shall supersede any historic thresholds referenced in other sections of this Agreement.

ARTICLE XVIII: INSURANCE

Health Insurance:

For the period July 1, 2020 through December 31, 2020: Full-time employees (i.e., those employees regularly scheduled to work at least thirty [30] hours or more per week) may elect coverage under one of the four (4) health insurance plans offered by VEHI. The District will contribute an amount of money toward the cost of health insurance premium for each full-time employee participating in one (1) of the four (4) group health insurance plans offered by the District through VEHI. The District's contribution to the cost of a full time employee's health insurance premium will be equal to 80% of the premium cost of the VEHI Gold CDHP Plan:

An eligible employee may select single, two-person, parent and child(ren) or family coverage under any of the available plans offered by VEHI. An employee electing coverage under any of the VEHI Plans may apply the District's premium contribution to the cost of the Plan selected in an amount up to but not to exceed the cost of the premium for the level of coverage selected. An employee electing coverage under the VEHI Gold CDHP Plan or a more expensive group health Plan offered by VEHI will pay the difference in premium cost between the cost of the Plan selected by the employee and the amount contributed by the District. An employee selecting coverage under a less expensive Plan offered by VEHI may apply the District's premium contribution to the cost of the Plan selected in an amount up to but not to exceed the full cost of the annual premium for the Plan selected.

Employee contributions to the cost of health insurance premiums will be made by payroll deduction on a pre-tax basis through a Section 125 Plan administered by the employer.

In addition to the premium contributions referenced above, the Board will establish and maintain Health Reimbursement Arrangements (HRA) for full time school year employees who select coverage under any of the Plans offered by VEHI. Employees and the Board will share responsibility for the payment of out of pocket (“OOP”) costs (i.e., deductibles, co-payments and/or co-insurance) required under each Plan offered by VEHI as follows:

Gold CDHP Plan: Employees enrolled in the Gold CDHP Plan are responsible for the first \$400 of OOP costs with single coverage, the first \$800 of OOP costs if enrolled with 2 person or parent/children coverage, or the first \$1,200 of OOP costs if enrolled with family coverage. The Board will fund the remaining OOP costs for the Gold CDHP Plan (\$2100 for single coverage, \$4200 for 2 person or parent/children coverage, and \$3800 for family coverage) through a Health Reimbursement Arrangement (“HRA”).

Platinum, Gold and Silver CDHP Plans: Employees enrolled in the Platinum Plan, the Gold Plan or the Silver CDHP Plan are responsible for the first \$400 of OOP costs with single coverage, the first \$800 of OOP costs if enrolled with 2 person or parent/children coverage, or the first \$1,200 of OOP costs if enrolled with family coverage. After these OOP costs have been satisfied by the employee the Board will contribute the same dollar amount to an HRA for the Platinum Plan, Gold Plan or Silver CDHP Plan in the same manner as it contributes toward the HRA for the Gold CDHP Plan (i.e., \$2100 for single coverage, \$4200 for 2 person or parent/children coverage, and \$3800 for family coverage). The employee will be responsible for any additional OOP amounts required to reach the OOP maximum for the Plan and coverage selected by the employee.

Funds in the HRA will be available and may be used solely to pay for qualified medical and prescription drug expenses that track towards the annual deductible, co-payment or co-insurance expenses required by the Plan selected. Unspent HRA funds will not rollover or accumulate from year to year, but will revert to the Board, subject to a ninety (90) day run out period.

Payments for eligible OOP charges incurred will be made automatically to the Provider whenever possible; the District may also issue debit cards to facilitate such payments. Employees who have established a Flexible Spending Account (FSA) under the BSU Flexible Benefits Plan may use District issued debit cards for their own qualified out of pocket expenses, otherwise payments by debit card and automatic payment options are available from the HRA once the employer’s obligations to pay OOP costs are triggered. The BSU Flexible Benefits Plan document will allow employees to roll over funds in the employee’s FSA from one calendar year to the next to the extent allowed by law. If the design of the BSU Flexible Benefits Plan does not allow for Employee first dollar payment toward prescription drug expenses, these prescription drug expenses will be made from the HRA or the insurance plan, as applicable.

The District’s annual contribution toward premium costs and HRA funding (if applicable) will be pro-rated for Employees who are eligible to join the group health insurance plan and who become employed or eligible for insurance after January 1 of any Plan Year.

The District will be responsible for the administrative costs of operating the HRA plan. Any substantive or procedural issue related to the operation or administration of the HRA Plan not specified herein is left to the discretion of the District.

COBRA: In the event that an employee is laid off, he or she shall not receive insurance benefits at the expense of the Employer. However, the employee may elect to continue insurance benefits by paying the applicable premiums therefore at the office of the Superintendent as allowed by VEHI and as prescribed by the Consolidated Omnibus Budget Reduction Act (COBRA).

For the period January 1, 2021 through December 31, 2022 and beyond, the Board shall offer health insurance as defined by 16 V.S.A. Chapter 61, Sections 2101 – 2108, (Act 11 of 2018) and the Arbitrator decision awarded on December 9, 2019.

Effective beginning in the 2020-2021 school year the employer shall pay the sum of up to two-thousand five-hundred dollars (\$2,500) to any employee who is eligible for employer subsidized health insurance coverage but chooses not to participate in the district's group medical insurance program during the periods July 1 through December 31 and January 1 through June 30. The dollar amount of the cash in lieu payment shall be pro-rated for eligible part-time employees who elect not to participate in the district's group medical insurance program during the school year. Half of the annual sum shall be paid for choosing not to participate in the district's group medical insurance program during the period July 1 through December 31 (the first half of the school year and second half of the plan year). The second half of the annual sum shall be paid for choosing not to participate in the district's group medical insurance program during the period January 1 through June 30 (the second half of the school year and first half of the plan year). This "cash in lieu" payment program shall not apply to an employee who receives health insurance coverage as the dependent of another person insured by the VEHI (Vermont Education Health Initiative) Plan. Employees who meet the eligibility requirements and who elect to receive this option shall be paid in lump sum payments at the date nearest the last payroll periods in December and in June. Any employee electing this option shall provide proof of health insurance coverage from another source prior to June 30 and/or prior to the end of open enrollment. New employees electing this option will notify the employer and provide proof of alternative insurance coverage within thirty (30) days of employment.

Disability coverage will begin after meeting the eligibility requirements for receiving benefits under the disability plan as determined by the

insurance carrier, including a ninety (90) day elimination period. Disabilities are only those medical conditions defined as disabilities by the carrier and covered by said insurance policy. The benefit will cover sixty percent (60%) of monthly earnings with a maximum benefit of \$6500 per month.
