To Novi Community School District Parents and Community Members:

Today, our Novi High School seniors received a special visit from teachers, high school administrators, and bus drivers. Each received their cap and gown, a congratulatory sign, and a goodie bag to help them celebrate their disrupted senior year.

On Friday, the state identified its budget shortfall. They now have to identify their plan for resolving it. I would encourage each of you to pay attention as these deliberations take place. It will impact our schools.

Many have asked what this fall will look like. We are making a variety of plans. The Governor has established a task force to look at reopening schools. The Michigan Department of Education has created a task force to look at reopening schools. In our district, we are looking at a variety of options as well.

We will continue to communicate and inform as the plans get firm up.

Have a great Monday.

Gratefully and Appreciatively,
Steve M. Matthews, Ed.D.
Superintendent

Students who are passionate, empowered, and prepared for their world and their future.
