

Internet and Electronic Resources Use Agreement – Parent/Guardian

As the parent or guardian of this student, I have read and discussed with my child the school district policies and addenda relating to safety and acceptable use of the district technology computer system, which includes electronic resources, cloud-based tools, electronic communications and Internet resources or accounts on or off school district property and/or personal electronic resources while on district property and/or the district technology system. I understand that this access is designed for educational purposes. The school district has taken precautions to eliminate controversial material. However, I also recognize it is impossible for the school district to restrict access to all controversial materials and I will not hold the school district or its employees or agents responsible for materials acquired on the Internet. Further, I accept full responsibility for supervision if and when my child's use is not in a school setting. I hereby give permission to issue an account for my child and certify that the information contained on this form is correct.

Signature required if student is new to the school district or in grades K, 5 or 9.

All District Policies are available online at www.isd197.org/schoolboard/policies.
