

# Art About

## Materials List

Re-Thinking Language  
With guest artist Alexandra Cattle

Suggested materials:

### Brainstorm Exercise

- A large piece of paper, but if you don't have any paper works
- Pencils or markers

### Artwork

- Paper- but any surface can work! Watercolor paper, construction paper, printer paper, cardboard from shipping boxes. I even encourage exploring using the concrete sidewalk outside.
- Sidewalk chalk is preferred, but if you don't have any, markers work, or even paint and brushes
- Stencils of Alphabet, not necessary, but might be a nice tool to have

Use the **traits list** to help with words that describe you!
