# Fieldhouse Exterior Refurbishment Options

## Painting \$200,000

### Advantages:

- Extends life of building through needed life-cycle painting
- Color scheme will match new academic building
- Failing cornices will be replaced

### Disadvantages:

- Will not match architecture of new academic building

## Painting and Metal Cladding \$650,000

### Advantages:

- Adds metal cladding to match architecture of new academic building
- Failing cornices will be replaced
- Can be provided within existing project budget

### Disadvantages:

- Funds could be reserved for future work
