## **Northshore Students' Artwork Recognized by PTA Reflections Art Program**

Bothell, Wash. – Several Northshore students were recently recognized by this year's WSPTA Reflections awards. The program supports the arts in the Northshore School District and is sponsored by the Northshore Council PTSA.

More than 300,000 students Pre-K through grade 12 created original works of art connected to this year's theme: "Look Within."

Timbercrest sixth grader Anthony Schmidt placed at the National PTA Reflections competition. Schmidt received an Award of Excellence in Photography for his entry "Stuck in the Mud." He, along with other national level winners, will have their work featured in a traveling exhibit which is scheduled to begin in January 2021 in Washington, D.C. Nine Northshore students were recognized for their work at the state level.
