

<p>Write a message to Jim Lad to ask him about his next adventure. You can write the message from yourself or Matilda. Your message can go in your bottle! Maybe use tea or coffee to decorate the pirate message! *</p>	<p>Draw a plant from your garden (or use a picture taken of one from a walk) and label the parts of the plant. Have a think about what each part does.</p>	<p>Think of any similarities and differences between the pirates and the neighbours on the street.</p>
<p>Create a treasure map of your home for the pirates! Mark with an 'X' where you would hide any treasure. Maybe you could make some treasure?</p>	<p>Using different objects (for example pencils of the same size), find out how long certain objects are around your home. For example, "the TV is 5 pencils long". Place your measurements into a table.</p>	<p>Research some facts about the sea. What lives in the sea? How many different oceans are there? Which sea is next to Hastings? What else can you find out?</p>
<p>Decorate a message bottle for Matilda so that she can send Jim Lad a letter on his next adventure! Put the message you have written into your bottle.*</p>	<p>Thinking about multiples of 2, 5, & 10, can you identify how many different numbers can be evenly split into groups of 2, 5, or 10. Using objects such as counters or pens etc. to help.</p>	<p>Pirate Science!</p> <ul style="list-style-type: none"> • Create your own pirate ship to test in water.
