

<p>Lost Luggage</p> <p>Think about the main character from the last story that you read. Inside a picture of a suitcase, draw three items that could belong to them. Then, write three clues about who they are. Can a family member correctly guess their identity?</p>	<p>Watch this short animation: LINK</p> <ul style="list-style-type: none">• Write a newspaper story of the event including interviews with the lighthouse keeper, villagers and men from the boat.• Write some dialogue to go along with the film.• Create a storyboard of key events.• Write your own version of the story where the problem is solved in a different way.	<p>Kindness brings huge benefits for everyone! You make someone feel good, you feel good because of your actions and those who see what you are doing are inspired to act kindly themselves! Perhaps you could think of something nice to say to each of your family members and friends. Perhaps you could write a letter to someone you care about and enclose a lovely picture or drawing.</p>
<p>I'm Fight</p> <p>This challenge is about finding a variety of ways of asking questions that make 8.</p> <p>This problem can be viewed online by clicking on the link below.</p> <p>https://nrich.maths.org/55</p>	<p>Write an advert advertising a job to work on a submarine or a boat. Think about what specific skills a person would need to do the job well and carefully consider how you can make the advert persuasive so that many people apply.</p>	<p>Reef Research</p> <p>Take a virtual tour of the Great Barrier Reef using AirPano https://www.airpano.com/360photo/Great-Barrier-Reef-Australia/ and create a poster or video to promote the Great Barrier Reef. Try to use scientific language relating to the habitats and species groups found in the reef. Can you identify the main threats to The Great Barrier Reef and include these too?</p>
