CLASS SIZE POLICY

Policy

It is the intent of the board to comply with Sections 15 and 16 of Act 153 of 2010 requiring superintendents to work with school boards to develop policy guideline recommendations for minimum and optimal average class sizes in regular and technical education classes. Class size recommended guidelines will be used to inform annual decisions related to staffing and program offerings.

Implementation

1. The superintendent or his or her designee shall, in consultation with the principal/director, develop district wide class minimum, maximum, and optimum average class size recommended guidelines that take into account the instructional needs of required and elective courses at the secondary level.
2. Class size recommended guidelines in the district may vary as necessary to reflect differences, such as school size and programmatic needs.
3. The recommended guidelines shall also ensure compliance with state or federal requirements related to matters such as student-teacher ratios, special education, technical education, and English Language Learners.
4. The superintendent shall report to the board by April 1 each year on the implementation of this policy, and shall include in his or her report information related to the use of the recommended guidelines in determining actual class sizes and program offerings in the schools within the district.

Recommended Guidelines

Administrators will use the following recommended guidelines when reviewing course enrollments and making decisions about course offerings and scheduling, recognizing that such recommended guidelines must be flexible and incorporate additional factors in making decisions about class sizes which, among others, include the unique needs of class or grade-level populations of students, curricular structure, physical plant, and staff training:
