To Novi Community School District Parents and Community Members:

We continue to try and identify how Michigan's budget concerns may impact our district. Yesterday, this article appeared in Bridge Magazine:

<https://www.bridgemi.com/talent-education/shirkey-dont-cut-michigan-schools-budget-despite-12-billion-shortfall>

It is unclear if we can have in person summer school and summer CARE. We are planning on running in person experiences for our students. If we do, we recognize that we will probably need to make some accommodations for social distancing and working to keep our students and staff safe. As soon as we know if in person experiences will be allowed this summer, we will communicate with you.

I would encourage you to sign up for summer school and summer CARE to reserve a spot. If we need to cancel, we will inform you.

We are also making plans for a return to school this fall. We are planning for multiple scenarios just in case this fall needs to be different. Again, we will keep you posted as we move along with our planning.

Thank you for supporting your children.

Gratefully and Appreciatively,
Steve M. Matthews, Ed.D.
Superintendent
Novi Community School District

Students who are passionate, empowered, and prepared for their world and their future.
