

Eligibility Requirements

In order to encourage and promote academic excellence, students in grades 9-12 who participate in extra/co-curricular activities/interscholastic competition shall demonstrate satisfactory minimum progress in meeting the requirements for graduation by undertaking the prescribed course of study and meeting the standards of proficiency established by the District.

(cf. 6146.1 - High School Graduation Requirements)

Any student elected or appointed to a student office, or who represents his/her school in extra/cocurricular activities/interscholastic competition, shall meet all the academic eligibility requirements as follows:

Keep at least a 2.0 average on a 4.0 grading scale for the preceding grading period. Each course in which the student is enrolled will be used in the calculations of the grade point average during the period of attendance. All incoming freshmen shall have first quarter as a probationary period to become eligible or ineligible.

Instruction AR 6145(b)

EXTRA/CO-CURRICULAR ACTIVITIES/INTERSCHOLASTIC COMPETITION

Enroll and maintain passing grades in at least four subjects in each grading period of which only one subject may be physical education.

Maintain minimum progress toward meeting the graduation requirements of the District, which is defined as passing a minimum of 20 credits, with a 2.0 average on a 4.0 grading scale, the previous grading period.

The grade point average used to determine eligibility shall be based on grades of the previous grading period.

The District schools will consider the following as report periods:

First Quarter

First Semester/2nd Quarter

Third Quarter

Second Semester/4th Quarter
