

TALENT SHOW

Friday, June 5th

Dear Parents/Guardians and Students,

Acts for the Collins Talent Show need to be submitted by video by 3:00 p.m. Monday, May 25th.

Before videoing your submission follow these steps:

1. Practice your act so that it is ready. When you submit your video it should be ready "as is." No editing should be needed.
2. If recorded music is to be used for a dance routine, for example, it must be appropriate in language and content. If you are going to sing with recorded music do not submit a video with the vocal part you are singing on the recording. Find karaoke versions of songs you plan on singing.
3. Since this Talent Show is taking place over the internet, even though only our Collins community will have access to it, written permission **MUST** be submitted by a parent/guardian at or before the time of the video submission. Please send this permission to Mr. Gaulke at tgaulke@fpschools.org.

To restate: ALL Talent Show submissions must be submitted by video by 3:00 p.m., Monday, May 25th. If your submission is late, or it does not meet the criteria listed above, it will not be included in the Talent Show.

We will contact you and let you know if your submission was accepted by the end of the day Wednesday, June 3rd.

Good luck, and HAVE FUN!
