To Novi Community School District Parents and Community Members:

Today was to be the last day of school for our Novi High School seniors. Graduation was to come next week.

But plans have changed.

Instead, we will celebrate the class of 2020 with a graduation ceremony on August 2, at 3:00 PM. It will hopefully be at Eastern Michigan University. If we cannot gather as a community, we will instead have a virtual ceremony.

Either way, we will celebrate our graduating seniors on August 2.

Principals will be communicating when families and students will be able to come and collect belongings that were left in the buildings. This will occur during the week of June 8th.

Planning is underway for the fall. Both the Governor and the Michigan Department of Education have task forces that are looking at the reopening of school. We will communicate more as plans become clearer.

The state legislature and Governor are continuing to discuss the state and school budgets. Please pay attention to these discussions as they will have a profound impact on education in the state of Michigan.

Gratefully and Appreciatively,
Steve M. Matthews, Ed.D.
Superintendent

Students who are passionate, empowered, and prepared for their world and their future.
