

# Finish Strong

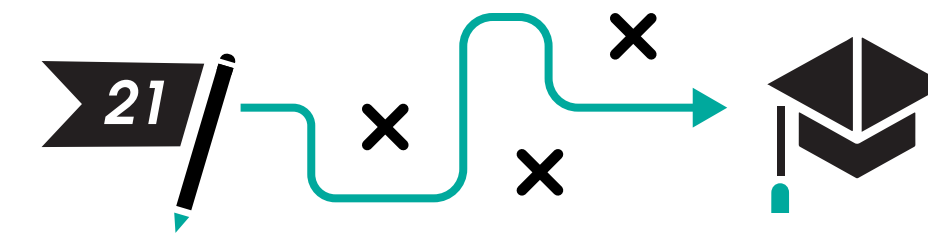

Amidst many challenges, we pulled together as a school community. The effort and support that made 2019-20 successful will continue at a distance. You'll hear from us often, and we will partner to finish the year strong.

# Lay a New Foundation

It's summer and the planning for next year is heating up. We will ensure your child learns AND put the health of our students first. Your teachers are missing you. Anticipation about the fall is building. No matter what it brings, we'll persevere and thrive together.

# Opportunity Can't Wait

We all learned and grew from the challenges this spring. Your child deserves a great school, no matter the circumstances. We will rally around each other and partner with you to make 2020-21 a great year.
