The following information outlines the plans of each site specific to: end of year items, promotion hand-outs, & graduation/senior activities for our high schools and 8th grade promotion activities.

Thank you, West High School, for taking the lead!

The West High School “Senior Sunset Parade” was celebrated by all on Friday, May 8th from 7:20 pm to 8:20 pm in the main parking lot. Seniors and parents were very excited to share their school spirit with several decorated cars that formed a procession throughout the school. A DJ was playing music, and everyone was enjoying themselves! This was visibly noticeable to all-tons of smiling faces! Parents, students, board members, city officials, district administrators, and WHS staff enjoyed watching the parade of cars honoring our senior graduates!

Thank you, Tracy High School, amazing school spirit!

Tracy High teachers, staff, and administrators handed out a week’s worth of food and beverage awards to their seniors and supported downtown establishments last Friday night! Seniors and their families were backed up several blocks to join in the senior parade. The parking lot was lined with school spirited teachers and staff and smiles were had by all! There were several decorated vehicles that formed the procession through the James Franco, Building A parking lot. There was even a surprise guest appearance from Dr. Franco himself! Music was playing and signs were visible to all who lined the streets. Teachers, counselors, administrators, board members, and district personnel were present to enjoy the fun!
