Let’s SEE what you read this summer! Create a READ poster & email it (or a photo of it!) to Miss Angela abaccala@keyschool.org.

Create a poster using an app or good old fashioned paper. Show what books you read this summer, where you did some reading, who you read with... the possibilities are endless. If you like, you can use the hashtag #keyreads and post your READ poster on social media! Posters will be displayed in the Manse when we return.
