Think about how Jerome put his words in different categories. Think of words that interest you and place them in the correct columns. Use some of the words to create a poem or song.

In the story, Jerome sorts his words into different categories. Write your own words in the categories listed below. Select some of these words and write a poem. Illustrate your poem below or on the back. If you want, you can share your poem on our Padlet page (see the direction sheet for the week).
