

May 14, 2020

Dear Parents,

On Monday, June 1st, your child will be participating in a virtual Lower School Field Day. We have fun, silly Minute-To-Win-It Games and Challenges planned that will provide closure to the school year. The games and challenges have minimal supplies. Field Day will be led by your child's PE teacher, assisted by homeroom teachers and special area teachers.

### **Field Day Plan**

- Coach Brown or Coach Engelhardt will explain/demonstrate an activity to all students in one grade in the main Zoom Meeting Room (see below for grade level Zoom access).
- After the introduction, students will be sent to four Zoom Breakout Rooms for several minutes to perform the activity, and then return to the main Zoom Meeting Room to learn about the next activity.
- During the last ten minutes of Field Day, students will have time to socialize and eat a snack with their friends in the Zoom Breakout Rooms.
- Field Day times and Zoom login information are listed below.

### **Monday, June 1st**

#### **8:30 - 9:45 First Grade**

Ms. Engelhardt

Zoom ID:

309-457-9207

Password: coach3

#### **8:30 - 9:45 Second Grade**

Mr. Brown

Zoom ID:

450-808-5779

Password: brown3

#### **10:15 - 11:30 Third Grade**

Ms. Engelhardt

Zoom ID:

309-457-9207

Password: coach3

#### **10:15 - 11:30 Fourth Grade**

Mr. Brown

Zoom ID:

450-808-5779

Password: brown3

### **Important Preparation Information**

- Students should wear their Porter-Gaud physical education uniform and gym shoes.
- Please make sure your child's iPad is fully charged.
- The majority of games/challenges are performed standing using a table. Your child needs a table at least 30 inches wide for the games/challenges.
- The supplies needed for Field Day are common household products and hopefully you will already have the items. If you need to purchase any supplies, Dollar Tree sells the items. **(Please click here for the Supply List and Set-Up Information.)**
- During Field Day, we will be taking screenshots and videos of the children. Please make sure to position your child's iPad so we can see them performing the games/challenges. A good placement for your child's iPad will be the opposite end of the table from where your child is standing.

We are looking forward to an exciting virtual Field Day. If you have any questions please contact Marcia Engelhardt or Cameron Brown. [mengelhardt@portergaud.edu](mailto:mengelhardt@portergaud.edu) [cbrown@portergaud.edu](mailto:cbrown@portergaud.edu)
