Central Academy of Excellence Hosts Science Fair

Free event is Thursday, April 13

Kansas City, April 11, 2017: Central Academy of Excellence is hosting a Science Fair 8:30 a.m. to 4:30 p.m. Thursday, April 13 in the school's gym, which is located at 3221 Indiana Ave. in Kansas City, Mo. All members of the news media are invited and encouraged to attend.

This event is free and open to Kansas City metropolitan area students, including local charter school and suburban area students. Attendees will have an opportunity to access a wide range of hands-on science experiments, science fair displays and technology demonstrations. Activities include:

- Alien Toothpaste
- Specimen Dissection
- Rover Races
- Robotics Competitions
- And more

Developed by Central Academy Principal Anthony Madry along with Science Department Chairperson Ikyra Robinson, the Science Fair event was designed to share the exciting opportunities within the world of science with students in a hands-on, discovery format.
