Statement from Superintendent Bedell

KANSAS CITY, MO. – Kansas City Public Schools Superintendent Mark Bedell has issued the following statement:

“Kansas City Public Schools administrators continue to work to fix the transportation issues that started yesterday morning. Our Chief of Operations and Transpar met with First Student and Daye Transportation last night and came up with a plan to help minimize the issue, however, we still had issues this morning.

Our team is currently exploring every option and every possible solution. We are working tirelessly to get this right, and we will not stop until every student who rides a bus gets to school and taken home on time.”

Kansas City Public Schools is dedicated to graduating students that are college, career, and workforce ready. This mission is supported by innovative classroom instruction, engaging programs, highly qualified employees, and an engaged and well-informed community.
