## MEDIA ADVISORY

### Kansas City Public Schools Education Foundation Receives Grant from Google Fiber for \$20,000

**Kansas City, Oct. 23, 2018:** The Kansas City Public Schools Education Foundation is pleased to announce it has been presented with a \$20,000 donation from Google Fiber Kansas City to support its fall Instructional grant cycle. Instructional grants empower Kansas City Public Schools educators to bring to life education-related passion projects that promise to enhance student learning across the full spectrum of academic disciplines.

Each year, the KCPS Education Foundation aims to award \$20,000+ for projects that typically fall outside the district operating budget. [These funds](#) enable broad-reaching ideas that further student learning inside and outside the classroom. By partnering with Google Fiber Kansas City, the Foundation is able to reach more teachers and impact the lives of more Kansas City students.

Google Fiber and the KCPS Education Foundation will be surprising Instructional staff on ~~October 23<sup>rd</sup>~~ [Oct. 23](#) with their grant awards.

###

About the Kansas City Public Schools Education Foundation:

Established in 2012, the Kansas City Public Schools Education Foundation (KCPSEF) aligns with Kansas City Public Schools by providing support for innovative teaching, critically needed educational materials and securing resources to enhance student learning.
