To Novi Community School District Parents and Community Members:

We have been in our virtual learning environment for 10 weeks. We have three weeks left. Our students, parents, teachers, and staff have worked hard to make this work.

Is it all that we would have wanted? Probably not.

But, we have done meaningful things during the past 10 weeks. Students have had the opportunity to learn and grow. Virtual connections have been maintained.

What does the future hold?

We are not sure. We are making multiple plans, while waiting to see what restrictions will be placed upon by the state. Our hope is to return to school this fall.

There are several task forces. The Governor has one. The Michigan Department of Education has one. I have been asked to serve on the Michigan Department of Education task force. Oakland Schools has a task force. I also am serving on that task force.

We will keep you posted as we move through the next several weeks as to what this fall will look like.

I hope that you have a wonderful Memorial Day weekend

Gratefully and Appreciatively,  
Steve M. Matthews, Ed.D.  
Superintendent
