

VOCATIONAL AND CAREER EDUCATION

This is a general Automotive Technology activity. Please make sure you are checking your BPS e-mail and Microsoft TEAMS for updates from your teachers. They will be sending you other activities that are specifically designed for your class.

Brockton High School is extremely fortunate to offer FREE Auto Upkeep Training for all students enrolled in Automotive Technology at Brockton High School. Auto Upkeep offers real-world training for students in our Automotive Technology Vocational Program at BHS. Completion of the course will result in fulfilling credit requirements for your high school course work and also include specific training related to Automotive Service Excellence (ASE Certification) and National Automotive Technicians Education Foundation (NATEF Certification).

To learn more about Auto Upkeep, please click on the link below:
