VOCATIONAL AND CAREER EDUCATION

MAY 26TH - MAY 29TH 2020

This is a general Health Assisting activity. Please make sure you are checking your BPS e-mail and Microsoft TEAMS for updates from your teachers. They will be sending you other activities that are specifically designed for your class.

Inside the Brain: A Tour of How the Mind Works

Alzheimer's and Dementia affect a great percentage of the population. Click on the link below to "take a tour of the brain" and discover the effects these diseases have on the brain.

After taking the tour and exploring the website, write a brief reflection about what you learned and how you can help with discovering a cure for this disease.

When you are finished with your reflection, save it to your Office365 OneDrive and then share it with your teacher.
