

May 20, 2020

Dear PVN Families,

Typically at this time of year, the PTO sends information about joining the PTO and purchasing school supplies.

With the uncertainty of the 2020-2021 school year, the PTO considered all options for providing school supplies to students. With much discussion with PTO and PVN leadership, we have decided to continue to offer PVN families the opportunity to purchase school supplies for next year through the PTO.

With all this uncertainty, we cannot say what school supply use will look like. We are imagining that community/shared supplies that we have utilized in the past will not be an option. Thus, we have added an individual school box to our supply list. Please consider purchasing school supplies through the PTO. Supplies are purchased in bulk, and we purchase items as they are on sale. By ordering through PTO you can be certain that your child will have the exact items requested by teachers.

Once supplies have been ordered and purchased, **we will not be able to issue any refunds.** We understand that times are uncertain so please purchase with the unknown in mind. We promise to be good stewards of your money!

Please complete the form on the opposite side to purchase school supplies and/or to join the PTO. This form and payment can be sent directly to PVN at 6450 Marshall Rd., Centerville OH 45459. You may also follow the links on the PVN PTO website: <https://www.centerville.k12.oh.us/schools/pvn/pto> or visit the PVN PTO Facebook page to follow a link to purchase online through PayPal.

We understand this is a difficult time. Please reach out to the PTO with any questions or concerns.

PVN PTO Membership and School Supplies 2020 - 2021

The PVN PTO is actively committed to enhancing our children's educational experience with contributions of financial support and volunteerism. We collaborate with parents, teachers and staff to enrich our children's education and foster the wonder of learning. We create an environment that helps strengthen the connection between home and school. We work hard to provide your family with both fundraising and non-fundraising events to create many wonderful family memories. Your involvement through joining, volunteering and participating in PTO sponsored activities gives your child the great educational experiences you have come to expect from Centerville City Schools.

The PTO helps purchase classroom equipment and supplies, books and helps to supplement field trips, art enrichment programs and supplies, playground equipment, cooking classroom supplies, and a whole lot more! Centerville Schools offers many unique educational opportunities for its students and the PTO helps further enrich your child's education.

To ensure we have the ability to do all of these things, we invite you to become a member of the PTO for \$15. This goes a long way in helping our school. PTO membership also entitles you to participate in discussions, make motions, and vote during monthly PTO meetings. As a token of our appreciation, we will provide to you a school/home communication notepad. If you are interested in filling a volunteer position on the 2020-2021 PTO, please contact the PTO Presidents, Allison Barrett and Mandy Cherry at pvn.pto6450@gmail.com.

School Supplies

If you have not already purchased school supplies, consider taking the hassle out of school supply shopping! The PTO offers a school supply kit* for you to order. All supplies ordered from the PTO are delivered to your child's classroom. *Order one kit per child.

All money will directly benefit your child during the 2020-2021 school year. You will save \$5 to \$20 and your time if you take advantage of ordering the school supply kit from the PVN PTO!!
