Glowing Together 2020

Spotlight On Our Scholars

WELCOME!

Dear Friends,

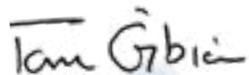

Thank you for your support of the 2020 Parents Association Glowing Together Auction—an annual event reimagined for a unique moment in time.

Each year, the PA Auction Committee puts together an amazing event that offers us a chance to mingle, to break bread, and to support the financial aid program that is critical to Sandy Spring Friends School's mission. This year is different in many ways, of course—but not in the essentials. We will gather together (virtually), we will share a meal (from a distance), and we will affirm, once again, our commitment to the SSFS community.

On behalf of the Board of Trustees and myself, I would like to express a heartfelt thank you to the dedicated volunteers and donors who make this event possible. Their generosity of time, talent, and treasure has brought us together for a marvelous evening. I would especially like to applaud the work of the PA Auction Committee and its incredible co-clerks, Alice-Ann Beachy and Michelle Alonso, whose creativity, enthusiasm, and unflagging energy have been tested and retested this year. To say they have risen to the occasion is an enormous understatement, and I am so grateful for their efforts.

Your participation in this special program is a powerful testament to your love for the SSFS community—a community built upon, and stronger for, its diversity of backgrounds, beliefs, experiences, and traditions. Thank you.

In peace,

Tom Gibian
Head of School

A Note About the Next Three Pages

When we began planning the auction in the fall, we assigned items to their usual categories—and then came March. As the PA Auction Committee reimagined how auction in the spring of 2020 might look, we decided some new categories, appropriate to the moment, were in order. And so we present some things we all need right now: Something Beautiful, Something Delicious, Something Good to Drink, Something to Look Forward to, Something to Make Today Better, and Something to Entertain the Kids. We hope you enjoy!

With gratitude,
The SSFS Parents Association Auction Committee

The online auction will run from 5:00PM on May 25 until 9:00PM on May 29. **You can access the online auction directly by clicking any of the item names listed in this catalog or by going to www.ssfs.org/events/auction.**

Upon the online auction's close, all winning bidders will receive an email notification containing the items they won and payment information. We plan to deliver all auction items to winning bidders in the Sandy Spring area and will happily mail items to winning bidders outside the area!

Glowing Together Live Auction - May 30

All registered participants will receive a Zoom link for the Virtual Live Auction on Friday, May 29. **(Haven't bought your ticket yet? You can do so [HERE!](#))** Registered participants who purchased a ticket including a GrubHub card will receive their GrubHub code on Thursday, May 28.

The live auction will feature welcome remarks, bidding on five items near and dear to the Sandy Spring Friends School community's heart, a Fund Our Scholars campaign, and thoughts by Head of School Tom Gibian and Incoming Head of School Rodney Glasgow.

Most of all, the Live Auction will give our community the opportunity to come together in support of each other and our incredible students. We can't wait to celebrate with you!

Did you know that Sandy Spring Friends School offers one of the most generous financial aid programs in the area? Nearly 40 percent of SSFS families receive some level of tuition assistance.

Now more than ever, SSFS's financial aid program benefits our entire community.

Thanks to the financial aid program, our children experience a diversity of backgrounds, perspectives, and cultures—a diversity that enhances their entire educational experience and enriches the lives of each and every one of us.

A deep commitment to learning in a diverse community is fundamental to SSFS's mission, and a robust financial aid program is the only way to sustain our school's unique and inspiring character.

This year, we ask our entire community to support this program that is critical to SSFS's mission by donating to Fund our Scholars [HERE](#) or at the live auction on May 30.

Thank you for your care for SSFS!
