

Primary School Standard Terms and Conditions 2020-2021 **Category III Pupils**

European School The Hague *Rijnlands Lyceum*

Please take the time to read all the clauses in this document, and ensure you fully understand them as it is a legally enforceable contract between you and the European School The Hague *Rijnlands Lyceum*.

Category III pupils are those pupils who have not been classified as Category I pupils. These pupils will be admitted to the European School The Hague where places are available (i.e. places which have not been filled by Category I pupils) and in accordance with the order of priority as listed below:

1. Children of personnel employed by European institutions and agencies (other than those which belong to category I) and qualifying for international education under Dutch law;
2. Children of personnel employed by diplomatic and consular representations in The Hague of EU Member States and qualifying for international education under Dutch law;
3. Children of European personnel employed by international governmental institutions and organisations based in The Hague and qualifying for international education under Dutch law;
4. Children of personnel employed by diplomatic and consular representations in The Hague (1) of European States which are not members of the EU; and (2) of other States whose mother tongue, unique or shared, is an official EU language other than Dutch, and qualifying for international education under Dutch law.
5. Any other children who do not fall into the subcategories listed above, but would qualify for Dutch international education under Dutch law and whose mother tongue, unique or shared, is an EU language other than Dutch.

Registration Fee

A non-refundable registration fee of €300 per child/applicant is to be paid in order to be considered for admission. Only a complete application, including the payment of the registration fee, will be assessed in order to determine if a place can be offered.

Waiting list

Category III pupils who have been placed on the waiting list will remain on the waiting list, to be considered for placement, until either the school offers a place, or the parents decide to remove them from the waiting list. Admissions will contact the parents when a place becomes available.

Educational Support Policy

For pupils with any type of educational or behavioural difficulty, parents will need to provide complete documentation of their child's academic history, psychological/educational evaluations and details of extra academic/specialist support they have had or are currently receiving. The school reserves the right to contact previous schools or professionals involved with the pupil in order to provide details relevant to his/her education and well-being. Once the application information is complete, the directorate will assess the application and decide if the school can accommodate the pupil.

The School will do whatever possible to meet a pupil's special educational needs (for example dyslexia and dyscalculia), however situations might occur in which it will be impossible for the school to offer education that meets the needs of a pupil or to avoid situations in which it would be detrimental to the learning environment of other children. In those situations other solutions must be found, either outside the European school or within the school with the support of an external specialist, which could lead to financial consequences for parents.

Annual School Fees

The European School The Hague (ESH) is a partially-subsidised European School (Type II Accredited European School). As the subsidies received from the Dutch government for ESH represent only a part of the costs needed to run the school, ESH charges school fees.

The school fee is set yearly by the Rijnlands foundation. The amount of the school fee is equal to the EU contribution per EU staff pupil as laid down in the Commission Decision education allowance decided by the European Commission *01-08-2013 C (2013) 4886 final*.

Primary School Fees 2020-2021 **€ 6812,00**

These fees are payable in return for education provided at The European School The Hague as specified in the annual School Guide.

Lunch Time Supervision Costs **€ 150,00**

All pupils remain on the school premises during their lunch break. They are supervised by a team of Lunch Time Supervisors, which parents are invoiced for once per school year. Pupils who join the school after the first school day or leave the school before the end of the school year are charged a percentage of this amount, according to the same table used for the school fees.

Please note: The above mentioned amounts do not include daily bus transport, canteen lunches, after/before-school care/activities or the Residential Trip in Primary Year 5.

Payment Options – to be selected upon receipt of the invoice via Wis-Collect (online payment portal)

1. One payment after receipt of an invoice: to be paid within 30 days of receipt.
2. Payment in instalments: this is offered in the form of 4 payments via iDEAL on approximately the 30th of June 2020, 30th of September 2020, 30th of November 2020 and 31st of January 2021 respectively. Each payment will represent 25% of the total amount for school fees. Payment in instalments is not possible for Lunch Time Supervision.

Any non-payment of fees will be placed in the hands of an official debt collector and all costs charged to the parent/guardian. Failure to pay fees from the previous academic year(s) will result in an automatic refusal of a school place for subsequent years.

Withdrawal from School

Formal notice of withdrawal needs to be provided at least 60 days in advance, by submitting a Withdrawal Form. This form can be downloaded from the school's website, or requested at the administration office. Failure to do so will result in fees continuing to be charged.
