

2020-2021 Forest Trail Elementary Directory

Forest Trail Elementary puts together an annual school directory for purchase. Information includes FTE Staff information, class rosters, parent/student contact information and more.

The directory is great to keep in your car or home to quickly access FTE family addresses & information.

Please note that for your information to be included in the 2020-2021 FTE Directory, it must be entered on the Booster Club Website AND you must opt-in. Regardless if information was submitted in another format or was previously in the directory, it will not be published unless opted-in on the Booster Club Website.

Please visit the following link (available in August, 2020) to enter and/or check your information and make sure you have opted-in. You can also purchase a directory while you're there!

https://foresttrailbc.membershiptoolkit.com/membership_publish_info

If you have any questions or are interested in advertising in the 2020-2021 FTE Directory, please contact Ann Boren at ftedirectory@gmail.com.
