ABOUT LAUNCH

Launch is a 6th – 8th grade middle school located on the border of Bed-Stuy and Crown Heights. Launch is a community where everyone belongs and can succeed.

Crew

At Launch students are part of a crew, a small group advisory focused on building relationships, reflecting on academic progress, and character development.

Case Studies

Case studies are a signature EL Education curricular structure. These in-depth studies offer real-world connections that inspire students toward higher levels of academic achievement. Case studies involve students in original research, critical thinking, and problem solving, and they build character along with academic skills. Some of our topics have included the Food Justice, Disrupting Gun Violence and Civil Rights.
