

2020-2021 SCHOOL YEAR UPDATE

PREPARATION PLANS FOR RE-OPENING **CONSTRUCTION UPDATE: 05.27.2020**

- Although we experienced a few delays due to Covid-19, the **current schedule for Upper School building completion is the end of July 2020.**
 - You can see the progress of the new US building in the recent videos filmed by David Hickson and Julie Mendez, touring each floor, on the SSFS YouTube page.
- Additionally, the **bike path**, which is being installed along the Norwood Road frontage of the School's property (running southbound from the Friends House/Sandy Spring Friends School property line to the SSFS Adventure Park) is scheduled for completion at the same time.
- The completion of this new Upper School building gives us **increased flexibility for classroom usage** in areas like Moore Hall and Yarnall (former US classrooms).
