

GRAND RAPIDS CHRISTIAN SCHOOLS
SOARING THROUGH
SUMMER

Dear GRCS Parents,

Congratulations! Your child has made it through a unique 4th grade year and into the summer! It's time to catch fireflies, have bonfires, swim in the lake, and do all those other quality, summer-time activities. Rest well, we know your child has worked hard throughout the past school year.

Along with the thrills of summer, we look forward to the coming school year! As we look ahead, we are happy to offer an opportunity to keep your child learning throughout the summer season! We hope to hit the ground running this August as we explore and learn in 5th grade. To do so most effectively, we'd love for our students to continue reading and keeping their math skills sharp throughout the summer. The following is a collection of fun activities and books for you and your child to enjoy. We ask that you and your child would invest some time and effort in working through the suggestions in this packet.

We are so excited to see you in 5th grade next year. Until then, take flight and soar through the summer!

See you in August!

Your 5th grade teaching team

REWARD YOUR READER: WEST MICHIGAN SUMMER READING PROGRAMS

Due to potential closures in correspondence with possible continuation of the Stay Home, Stay Safe order, some of these may not be offered this year. Check individual sites to read further plans. Below is the list of libraries and bookstores that offered programming for Summer 2019.

Baker Book House: bakerbookhouse.com/srp

Children can earn up to a \$25 gift credit through their reading this summer. Check out the Baker Book House Facebook page for information about free events like author visits, movies and story times.

Grand Rapids Public Library: www.grpl.org/summerreading/kids/

Earn great prizes and participate in free events throughout the summer. Stop by your local GRPL branch to sign up!

Kent District Library: www.kdl.org/summer-reading

Earn free books and other great prizes through your reading this summer. KDL will host a variety of free, family-focused events you won't want to miss.

Barnes and Noble: www.barnesandnoble.com/h/summer-reading

Track your reading to earn a free best-selling book of your choice. Stop by the store and enjoy a storytime together.

Schuler's: www.schulerbooks.com/summer-reading-club

Earn up to \$15 of store credit through your summer reading. Check out schulerbooks.com for information about cool events to enjoy on hot summer days.

Story Time and Icecream at Garfield Park: www.facebook.com/storytimeinthepark

The Grand Valley Education Department hosts "Storytime in the Park," a night of free ice cream and free books, every Tuesday at Garfield Park throughout the summer. Check out their Facebook page for more information.

SUMMER MATH PROGRAMS

IXL in 5th Grade

IXL is available for students this summer! Students can use IXL to practice math skills and stay sharp. We've selected our top skills for 5th Graders below. Follow these directions to make the most of this awesome website!

Login Instructions:

1. Go to <https://www.ixl.com/signin/grcs>.
2. Use your child's username and password to log in (this can be obtained from his or her 2019-20 classroom teacher).

Username: _____

Password: _____

3. Go to the Math tab.
4. Choose 5th grade math by clicking the rounded tab with a 5 or G on it.
5. Click on the suggested skills below.
6. Get practicing!

Try working on each skill until you achieve a Smartscore of 80 or higher!

Category	Skills
Fractions	K.1 K.2 K.3 K.4 K.5 L.2 L.4 M.1 M.2
Decimals	G.1 G.2 G.3 G.4 H.1 H.2
Division	D.1 D.2 D.3 D.4 D.5 D.6 D.9 D.10
Multiplication	C.1 C.2 C.3 C.4 C.5 C.6 C.8 C.13
Others	O.1 O.2 P.1 S.3 W.1 W.4

Finished? Head to the recommendations tab and keep learning!

Using Math in Everyday Life

Just because school is done, doesn't mean math disappears until fall. Seek out opportunities to use math in real world ways throughout your summer together. Take a look at all the different ways you can connect the things you're already doing with math concepts students learn in school.

- Bake together to practice fractions, addition, and time.
- Go grocery shopping together and compare prices, weigh items and count change.
- Plan, measure out and build something together.
- Host a lemonade stand
- Practice telling time
- Sort and count change collected at home
- Complete puzzles or play games like, Uno, Monopoly, Battleship, Yahtzee, Chess, Checkers, Sudoku, Tangrams, or your own favorite card games.

Build Skills Using Math Games

There are so many great math skill games available. Here are some teacher approved games that are definitely worth checking out:

Box Cars and One-Eyed Jacks Math Games: Using just dice and a deck of playing cards, try one of many games listed on this site to reinforce skills! www.educationworld.com/a_lesson/archives/boxcars.shtml

Xtramath.org: In just 10 minutes a day, kids can practice basic facts tailored to them. They'll only practice the ones they haven't yet mastered instead of wasting time practicing what they already know. The app is \$5 but the website is always free.

Email Address: _____ **Username:** _____

Password : _____

Abcya.com: Abcya is a fantastic collection of ELA and math games covering math skills in a variety of engaging ways. Like an arcade, kids can jump in and out of games as they like. So many choices, there's bound to be something they'll love.

Prodigy.com: Kids love Prodigy because it feels more like a video game than a math review website. Kids explore new worlds, meet interesting characters and compete against other characters all powered by answering correct math questions.

Also, check out Mr. McWhertor's website for great math games at all grade levels!
