

# GRAND RAPIDS CHRISTIAN SCHOOLS SOARING THROUGH SUMMER

**Dear GRCS Parents,**

Congratulations! Your child has made it through a unique 4th grade year and into the summer! It's time to catch fireflies, have bonfires, swim in the lake, and do all those other quality, summer-time activities. Rest well, we know your child has worked hard throughout the past school year.

Along with the thrills of summer, we look forward to the coming school year! As we look ahead, we are happy to offer an opportunity to keep your child learning throughout the summer season! We hope to hit the ground running this August as we explore and learn in 5th grade. To do so most effectively, we'd love for our students to continue reading and keeping their math skills sharp throughout the summer. The following is a collection of fun activities and books for you and your child to enjoy. We ask that you and your child would invest some time and effort in working through the suggestions in this packet.

We are so excited to see you in 5th grade next year. Until then, take flight and soar through the summer!

See you in August!

Your GRCS 5th grade teaching team

# FIFTH GRADE SUGGESTED SUMMER READING

# REWARD YOUR READER: WEST MICHIGAN SUMMER READING PROGRAMS

*Grand Rapids is full of great resources for summer reading! Check individual sites to read further plans. Below is the list of libraries and bookstores that have offered programming over the past few years.*

## **[Baker Book House:](#)**

While they are yet to advertise a summer reading program, Baker Book House is a great place to stock up on books! Keep an eye on their website for possible programming.

## **[Barnes and Noble:](#)**

Track your reading to earn a free best-selling book of your choice using B&N's summer reading journal.

## **[Grand Rapids Public Library:](#)**

Earn great prizes and participate in free events throughout the summer. Stop by your local GRPL branch to sign up!

## **[Kent District Library:](#)**

Earn free books and other great prizes through your reading this summer. KDL will host a variety of free, family-focused events you won't want to miss.

## **[Schuler's:](#)**

Earn up to \$15 of store credit through your summer reading. Check out their website for information about cool events to enjoy on hot summer days.

## **[Pizza Hut Camp Book It!:](#)**

Join Camp BOOK IT! and keep rewarding your kids all summer long. Track and reward your kids' reading for June, July and August in our digital dashboard. When they meet their monthly reading goal, they'll receive a free one-topping Personal Pan Pizza® from Pizza Hut! We'll also share fun activities and book recommendations each week to keep the fun going throughout the summer! Enroll today!

Know of other reading opportunities in the Grand Rapids area? Be sure to connect with others and feel free to email [Graham Schultze](mailto:Graham.Schultze) to include them in Soaring through Summer next year.

# SUMMER MATH PROGRAMS

## IXL in 5th Grade

IXL is available for students this summer! Students can use IXL to practice math skills and stay sharp. We've selected our top skills for 5th Graders below. Follow these directions to make the most of this awesome website!

Login Instructions:

1. Access the GRCS IXL login page [here](#).
2. Use your child's username and password to log in. Reach out to your child's 2021-22 classroom teacher to acquire login information.

Username: \_\_\_\_\_

Password: \_\_\_\_\_

3. Go to the Math tab.
4. Choose 5th grade math by clicking the rounded tab with a 5 or G on it.
5. Click on the suggested skills below.
6. Get practicing!

Try working on each skill until you achieve a Smartscore of 80 or higher!

Category	Skills
Fractions	K.1 K.2 K.3 K.4 K.5 L.2 L.4 M.1 M.2
Decimals	G.1 G.2 G.3 G.4 H.1 H.2
Division	D.1 D.2 D.3 D.4 D.5 D.6 D.9 D.10
Multiplication	C.1 C.2 C.3 C.4 C.5 C.6 C.8 C.13
Others	O.1 O.2 P.1 S.3 W.1 W.4

Finished? Head to the recommendations tab and keep learning!

## Using Math in Everyday Life

Just because school is done, doesn't mean math disappears until fall. Seek out opportunities to use math in real world ways throughout your summer together. Take a look at all the different ways you can connect the things you're already doing with math concepts students learn in school.

- Bake together to practice fractions, addition, and time.
- Go grocery shopping together and compare prices, weigh items and count change.
- Plan, measure out and build something together.
- Host a lemonade stand
- Practice telling time
- Sort and count change collected at home
- Complete puzzles or play games like, Uno, Monopoly, Battleship, Yahtzee, Chess, Checkers, Sudoku, Tangrams, or your own favorite card games.

## Build Skills Using Math Games

There are so many great math skill games available. Here are some teacher approved games that are definitely worth checking out:

**Box Cars and One-Eyed Jacks Math Games:** Using just dice and a deck of playing cards, try one of many games listed on this site to reinforce skills! [www.educationworld.com/a\\_lesson/archives/boxcars.shtml](http://www.educationworld.com/a_lesson/archives/boxcars.shtml)

**Box Cars and One-Eyed Jacks Math Games:** Using just dice and a deck of playing cards, try one of many games listed on this site to reinforce skills!

**Xtramath:** In just 10 minutes a day, kids can practice basic facts tailored to them. They'll only practice the ones they haven't yet mastered instead of wasting time practicing what they already know. The app is \$5 but the website is always free. Reach out to your child's 2021-22 teacher for account information.

**Email Address:** \_\_\_\_\_ **Username:** \_\_\_\_\_

**Password :** \_\_\_\_\_

**Abcya:** Abcya is a fantastic collection of ELA and math games covering math skills in a variety of engaging ways. Like an arcade, kids can jump in and out of games as they like. So many choices, there's bound to be something they'll love.

**Prodigy:** Kids love Prodigy because it feels more like a video game than a math review website. Kids explore new worlds, meet interesting characters and compete against other characters all powered by answering correct math questions.

Also, check out [Mr. McWhertor's website](#) for great math games at all grade levels!
