**Search and Seizure (7:150) – Student Rights and Responsibilities**

School authorities may inspect and search school property and equipment owned or controlled by the school (such as lockers, desks, and parking lots) as well as personal effects left there by a student, without notice or consent of the student. This paragraph applies to student vehicles parked on school property. In addition, Building Principals shall require each high school student, in return for the privilege of parking on school property, to consent in writing to school searches of his or her vehicle, and personal effects therein, without notice and without suspicion of wrongdoing.

The Superintendent or his/her designee may request the assistance of law enforcement officials to conduct inspections and searches of lockers, desks, parking lots, and other school property and equipment for illegal drugs, weapons, or other illegal or dangerous substances or materials, including searches conducted through the use of specially trained dogs.

**School Parking Regulations**

Use of the school parking lot is a privilege for Lisle High School students. Parking for students at the high school is available, but limited. It will be available to students under the following conditions. Students who do not meet these conditions and drive their vehicles to school are responsible for the legal parking of their vehicles on property other than school property.

1. Juniors and seniors who hold valid drivers' licenses will be able to purchase a permit tag to park in the school lots after meeting the rest of these conditions.
2. A permit for parking must be secured from the attendance office. The tag must be properly displayed whenever a student vehicle is parked on school property during the school day. Failure to do so will result in a ticket issued by the Lisle Police.
3. Students are to park in the North and West lots in the numbered space assigned to them. Parking in the east (front of the school) will result in a ticket from the Lisle Police.
4. No student will drive, use or in any manner enter a vehicle until the end of the regularly scheduled school day except with permission from the Dean of Students.
5. Vehicles must be driven to conform to all appropriate statute, ordinances, and regulations. A vehicle may be searched by school administration or law enforcement officers at any time it is parked on District property without consent of the student and/or vehicle owner.
6. Excessive tardies to school, failure to follow school rules, and/or make reasonable academic progress may lead to loss of parking privileges.
7. The school will limit the number of parking permits issued based on available parking spaces.
8. By administrative decision, permits may be made available to sophomores. If issued, sophomore parking may be assigned to the Park District lot south of Short Street.
9. The Dean of Students has the discretion to issue temporary permits to park. Students must arrange in advance with the Dean of Students to use temporary parking.
10. Students may NOT share or redistribute parking tags/spaces.
11. It will cost five dollars to replace any lost parking tags.

También ayuda a identificar a los estudiantes que necesitan ser evaluados para la fluidez en el idioma inglés.

Por favor, conteste las preguntas a continuación y devuelva esta encuesta a la escuela de su niño.

Przepisy stanowe wymagają przeprowadzenia wśród wszystkich nowych uczniów ankiety dotyczącej języka używanego w domu. Informacje te są wykorzystywane w celu określenia liczby uczniów, których rodziny posługują się w domu innym językiem niż angielski. Są także pomocne w ustaleniu, którzy uczniowie wymagają przeprowadzenia testu w zakresie znajomości języka angielskiego.

Proszę udzielić odpowiedzi na poniższe pytania i złożyć ankietę w szkole, do której uczęszcza Państwa dziecko.

Nazwisko ucznia: \_\_\_\_\_

1. Czy w domu posługują się Państwo innym językiem niż angielski?
