

High Schools Paperless Project:

To reduce the amount of paper, envelopes, staff hours, and postage, we will be mailing only report cards (semester 1 and semester 2) and not the 6-week progress reports. An announcement will be posted on the PowerSchool Parent portal when the 6-week progress grades are ready. You may access your student's six-week progress grades via your computer, tablet, or smartphone by signing into your PowerSchool accounts for parents.

Please indicate on the sign off form as to your preference

Thank you for helping Billings Public Schools to be environmentally friendly
