“RE”

During this time of the Coronavirus, the two letters “RE” have never had more impact or more meaning for me. Re-entering, re-opening, reconnecting, all of these “RE’s” are now part of our next phase of life with this virus.

The spiritual life also is a series of “RE’s.” We are called at different times in our lives to re-define who we are, to redouble our efforts. We repeat actions over and over again, and hopefully, they are those virtuous life empowering actions. We repent for times when we are less of who we are called to be. We try to remove unhealthy practices from our lives, and we recommit to loving those whose love and lives we share.

Please think of the “re” words and moments in your life and feel free to send me a word and reflection that I can share with our community. Reflect, rejoice, remember, renew, recreate, reenergize are just a sample of what we may be experiencing at this time. Thank you for all you do for our community. I rejoice in the blessing of being part of OLGC.

Live Jesus!
