

## Looking for something cool after school

### Check out *The Source*.

Students at Robbinsdale Middle School, Plymouth Middle School, Sandburg Middle School and FAIR School in grades 6-8 have a new place to hang out after school. *The Source* is a place for those who love sports, art, games, or gadget stuff like robots and computers.

Maybe your thing is meeting new people and trying new things, we've got that. We'll have space for you to finish your homework and space for you to test out your imagination. And, we might have to try out this new game, they call it dodgeball, or something like that. We'll also find some creative ways to make a difference. You just never know who might need a hand. Join us at *The Source* – get plugged in.
