

Kindergarten Parent Connection

As you saw in the building newsletter emailed by Mr. Lesco last week, please begin to gather books that were sent home at the beginning of the school closure. You can come to drop off your books and gather the rest of your child's belongings from school on Monday 6/15, Tuesday 6/16, or Wednesday 6/17 from 9-11am or 12-3pm. Also, if you have not yet done so, please contact your teacher if you know that you will not be returning to Tiffany Park next school year. Thank you!

Remember that teachers are required to submit "attendance" on Fridays. We will continue to contact you weekly through phone calls, emails, or class sites like Seesaw and Dojo. A quick response back from you lets us know messages are getting through and will count as engagement. You can also show engagement by attending the weekly class meeting or by using one of the online tools for reading or math.

Hello Kindergarteners!

This week in Reading you will practice being a problem solver and will plan which strategies to use. In Writing, you will think about who is reading your writing and make clear pictures. In Phonics you will listen for blends reading and writing and will use blends to change your snap words. In Math you will practice making 5, will draw shape animals and will solve story problems. In Science you will learn about visiting the beach and tidepool animals. In Second Step, you will practice managing your anger.
