

Hello First Grade Families,

We can't believe it's already June! Your continued support for your student's learning at home is truly appreciated by all of us! Please let us know if we can support you with that learning for your student.

For this week, we included literacy, math, and social studies learning activities. Please know that the same presentation is posted in the Literacy, Math, and Other folders so you can go to one of those folders, click on *Daily Activities 6/1-6/5*, select a day, and the learning activities for all those subject areas will be in that presentation.

**Also know there are additional learning resources and information provided for students from specialists (Library, Music, PE), student services (Social Emotional Learning, English Language Learners, Reading Support, and also *Right at School* updates), and additional resources for students (RLC, ILC, Speech & Language, OT, PT). You can find these resources on the same Tiffany Park Elementary In-Home Learning website as the first grade learning activities (they are found under *Specialists, Student Services, and Additional Supports*).**

Your student can also use digital programs like Dreambox, RAZ kids, and MyOn!

If you want to share what your student is enjoying with activities and learning at home or have questions or comments, please contact us at: [denise.gomes@rentonschools.us](mailto:denise.gomes@rentonschools.us), [bryce.thompson@rentonschools.us](mailto:bryce.thompson@rentonschools.us), [courtney.harrel@rentonschools.us](mailto:courtney.harrel@rentonschools.us), [kassandra.maloney@rentonschools.us](mailto:kassandra.maloney@rentonschools.us)

All the best,

Tiffany Park Elementary First Grade Teachers
