

Cambridge Springs Elementary

Kindergarten Registration Packet Return Day Thursday, June 4th

Due to the physical closure of K-12 schools in PA and current social distancing guidelines, we have made kindergarten registration packets available and have been collecting packets for 2020-2021 in the front lobby of our school. If you have not had a chance to return your packet, need to pick up a packet, or need copies made to finish your child's registration packet please stop by our office on Thursday, June 4th from 8:00-3:00pm.

There will be staff at the school that day to assist if you have questions or need assistance with anything related to registering a child for kindergarten.

Feel free to call our school office if you have any questions Monday-Friday from 8:00am to 3:00pm. Registration packets are still available in the front lobby to pickup. Returned packets are important. They assist with class lists and helps to determine the number of kindergarten classrooms for the school year.

Reminder all children must be:

- 5 years of age before August 31st, 2020 to register (a copy of the birth certificate or other proof of age must be provided at the registration day)

All students entering kindergarten must have the following:

- 4 DTaP (Diphtheria, Tetanus) with the fourth dose after age 4
- 4 Polio with the fourth dose after age 4
- 2 Measles after age 1
- 2 Mumps after age 1
- 1 Rubella after age 1
- 3 doses of Hepatitis B
- 2 doses of Varicella (chickenpox) immunization or history of disease
