

The Westlake High School Project Graduation co-chairs gratefully acknowledge the generosity of the following families, businesses, booster clubs, and WHS athletics programs, whose support made a special Project Graduation celebration possible for the Class of 2020. While Project Graduation looks a little different this year, your generosity makes it possible for us to celebrate the accomplishments and successes of this graduating class of seniors in a big way! THANK YOU to the parent volunteers who donated many hours to the planning of Project Graduation, and to its implementation in its new form this year. You are greatly appreciated!

Families/donors marked with an asterisk (*) are our "Name the Game" sponsors, who have very generously allowed us to redirect their gifts towards this year's changed Project Graduation celebrations. Thank you so much for your support!
