Parent

Parent/Carer.....

To help my child at school, I know and understand that:

- If my child, or anyone in my household, shows symptoms of COVID-19, I will not send them to school, we will self-isolate for 14 days as a family, I will get them tested and I will let the school know as soon as possible via telephone;
- If my child, or another child in the group, shows symptoms of COVID-19 at school, I will collect my child from school immediately;
- On my commute, and when dropping my child off and picking them up, I will adhere to the 2 metre social distancing rules and will bring no additional people with me (unless absolutely necessary).
- When dropping off and picking up, I will be punctual and adhere to the school timings for my child;
- My child must not bring any items into school with them or take items home from school except a lunch box and a drinks bottle;
- My child will wear freshly laundered clothes every day (children may wear their own clothes);
- My child will wear clothes and footwear that allow them to take part in physical activities without getting changed;
- I will need to remind my child about social distancing rules, understanding that they are difficult to maintain for primary aged pupils
- My child will need to use good respiratory and hand hygiene and will be in clean clothes each day;
- I will not be allowed into the school and understand that communication will remain via Dojo, email and by phone.
- I need to support all staff in their efforts to create an 'as safe as possible' environment during this period;
- Read all letters/messages/emails that are sent home;
- I need to inform the school immediately of any changes to parents/carers and emergency contacts details.
- If my child is unsafe in school, he/she will be sent home and will be invited in when a risk assessment has been completed.
- My family and I need to follow the Government's social distancing guidelines
- My child will bring any medication they require with them to school.
