I understand that this request is in conflict with the teacher's recommendation, and I assume responsibility for this change in my child's school program.

Further, I understand the possibility of the following:

- *This override may necessitate a change in my child's overall schedule and team placement.*
- *My child must maintain a minimum of a grade of C for the first trimester in order to remain in the requested class.*
- *In the event that my child does not earn the minimum grade required in order to remain in the requested class, a change in my child's overall class schedule and/or team assignment may be necessary.*
