IN GENERAL:

The St. Mark's Portal and the New Family Page are great resources for you as you transition into the St. Mark's community. Additionally, we know that you will find that your Buddy Family, teachers, the staff at St. Mark's, and all St. Mark's families are happy to answer your questions. We know that moving to a new school can feel like learning a new language, and we are here to help you become fluent!
