

ECMAC Attendance Area Team Agenda

November 19, 2018: 6:30 PM – 8:30 PM

Educational Service Center – Forum Room

Facilitator: Patricia Magnuson

*The **purpose** of the ECMAC Attendance Area Team is to increase community trust in the process used to identify boundary (attendance area) adjustments that ECMAC will recommend for implementation in the **fall of 2020**.*

In order to facilitate our work together, we agree to:

- intentionally consider the influence of race and culture by using a racial lens in our discussions and work;
- make and keep promises;
- share concerns directly with the person involved if a communication or relationship breakdown occurs;
- listen for understanding, contribute and seek individual perspectives, and assume good intent;
- be fully present; and
- have fun!

Outcomes: As a result of our meeting, members will:

1. understand the over-capacity conditions that led to the staff-recommended solution; and
2. understand the overall tools and timeline for the ECMAC Attendance Area Team.
