

# Suggestions for Parents to Support Student Success

## Essentials for Remote Learning at Stevenson

### Set up your Space

- Find a dedicated space for learning that is as far away from distractions as possible.
- Create a weekly schedule that includes class time, time for independent work including homework, and time for self care.
- Test your internet connectivity each morning and email the teacher if you are having issues

### Schedule and Timing

- Summer School runs from June 2-25 and from June 29 - July 23 from 7:45 - 12:50 each day
  - Please take advantage of the built in break times during each class.
- Note the Summer School Calendar dates as well as your specific class times for your class.
- General information for Summer School can be found on the Stevenson website at [D125.org](http://D125.org)

### Instruction

- If students make the most of their time in class and participate, study time outside class can be cut down.
  - Prepare for a blend of synchronous and asynchronous instruction.
- Students will use Canvas for class content
- SHS student issued iPads will be the technology used for instruction and access to needed apps and textbooks.

### Things to Remember

- One day of summer school = one week of class time. Attendance is VERY important
- If you need help with class content, contact your teacher via email as soon as you can.
- A counselor is available throughout the summer
  - Term One: Carol Seeger ([cseeger@d125.org](mailto:cseeger@d125.org))
  - Term Two: Terese Sullivan ([tsullivan@d125.org](mailto:tsullivan@d125.org))

### The Parent Role

- Parents can best support their students by ensuring that they attend class
- Parents are encouraged to have conversations with their children about what they are learning
- Parents are encouraged to create an Infinite Campus (IC) Portal account to check class schedules and attendance and to access the Interactive Report Card (IRC) to follow grades.
