Facilitator: Patricia Magnuson

*The **purpose** of the Enrollment and Capacity Management Advisory Committee (ECMAC) is increase community trust in long-range planning for enrollment and building use. The ECMAC will analyze information affecting enrollment, capacity, and building use, and generate observations and recommendations to be communicated to district administration.*

In order to facilitate our work together, we agree to the following **protocols**:

- adhere to Guiding Principles identified in the Enrollment and Capacity Management Framework;
- represent the work of the ECMAC when communicating with others;
- share concerns directly with the person involved if a communication or relationship breakdown occurs;
- listen for understanding and contribute individual perspectives and interests openly;
- fully engage in the ECMAC work; and
- begin and end on time unless we agree to revise.

Outcomes: As a result of our meeting tonight, ECMAC members will:

1. continue to learn about each other and the work of the ECMAC,
2. learn about Osseo Senior High School,
3. learn about the impact and presence of choice and competition, and
