(they are a great franchise!)

ISD 279's
Enrollment Services
Have evolved Into
A Comprehensive Service

Wowzer!

Insight helped me
to see that enrollment
can be much more
complicated than what's
on the surface. It's really
personal, it's just business in
many cases

It is important to
hear/listen to families
so services and
resources can be offered.
A lot of high needs.

Better understanding
of the laws to
lottery system.
