

**READING LIST
INCOMING FOURTH GRADE**

2020

Dear Parents,

Incoming Fourth Grade students are required to read three books over the summer. Below is a list of suggested authors and series compiled by the Fourth Grade teachers. The children, however, may choose any books they would like that are not on the list. We recognize that students have their own diverse interests and varied reading abilities, so we strongly recommend that students choose books that are written at an appropriate reading level. If you would like help in selecting books for your child, please contact your child's reading teacher.
